

A. CONTACT DETAILS

Department of Psychiatry, McGill
University, Montreal, Quebec, Canada

Phone: (514) 295-3709
Email: Bahramarmun@gmail.com

B. STUDIES AND DIPLOMAS

2021/05-2024/05

Post-doctoral fellow, utilize services for mental health issues, Douglas Mental Health University Institute, Quebec, Montréal, Canada
Supervisor: Dr. Marie Josée Fleury

2013/02- 2018/03

Doctorate, Doctor of Philosophy, Health education and promotion, Shahid Beheshti University of Medical Sciences, Tehran, Iran
Thesis title: Identifying predictors of oral health behavior in students of Shahid Beheshti University of Medical Sciences- A mixed research
Supervisor: Dr. Mohtasham Ghaffari

2010/09- 2013/01

Masters of Science, Public Health, Tehran University of Medical Sciences, Tehran, Iran
Thesis title: Internet addiction and its risk factors based on the theory of planned behavior among boy students
Supervisor: Dr. Mahnaz Solhi

2006/02- 2010/09

Bachelor of Science, Public Health, Tehran University of Medical Sciences, Tehran, Iran

C. PROFESSIONAL EXPERIENCES AND SKILLS

1. SELECTED TEACHING EXPERIENCES

2018/09-2021/04 (at Saveh University of Medical Sciences)

Research Methodology: (4 semesters)
Mental Health Disorders and Addiction: (2 semesters)
General Medicine: (2 semesters)
Non-Infectious Diseases Epidemiology: (3 semesters)
Infectious Diseases Epidemiology: (3 semesters)
Epidemiology and Biostatistics: (1 semester)
Biostatistics (SPSS): (2 semesters)
Health Education: (2 semesters)
Public Health: (2 semesters)
Principal of Epidemiology (3 semesters)

2. OTHER EXPERIENCES

2018/11-2021/04

Assistant professor at School of Nursing and Midwifery, Saveh University of Medical Sciences School of Nursing and Midwifery, Seveh Univerity of Medical Sciences

2018/12-2021/04

The chief administrator of the Outstanding Students center of Seveh Univerity of Medical Sciences, Seveh University of Medical Sciences

2018/12-2021/04

The chief administrator of the Education Development Center (EDC) Seveh Univerity of Medical Sciences

2016/07-2016/10

Research Associate, Jahad Daneshgahi Academic Institute of Shahid Beheshti University of Medical Sciences

2015/08-2018/02

Research Associate University of social Welfare Rehabilitation Sciences (Methodology advisor at the Psychosis Research Center of the University of Social Welfare and Rehabilitation Sciences)

3. SKILLS

3.1 Advanced knowledge in data analysis software (SPSS and STATA)

3.2 Strong knowledge in Endnote software

3.3 Solid knowledge in searching to the databases and conducted systematic review and meta-analysis (I have published more than forty meta-analyses)

D. RESEARCH & DEVELOPMENT

1. SCHOLARSHIPS, AWARDS, DISTINCTION AND RESEARCH GRANTS

2021-2023

Research grant from Substance Use and Addiction Program (PUDS), Health Canada, administered by the MSSS as co-researcher. Fleury, M.-J, C. Huynh and **Bahram Armoon**. *Determinants of mental disorders and service use and profiles (including quality of services) of young users with or at risk of cannabis use disorders. Part 2 impact cannabis legislation and COVID-19*. (\$190,928)

2020-2024

Research grant from Substance Use and Addiction Program (PUDS), Health Canada, administered by the MSSS as collaborator. Fleury, M.-J., C. Huynh, A. Lesage, L. Gentil, **Bahram Armoon**. *Profiles, socio-demographic, clinical determinants and service use pattern of patients referring to addiction rehabilitation centers (CRD) with substance-related disorders or at risk of developing them, and their quality of services*. (\$ 506, 552)

2020-2024

CIHR, Project grant proposal as collaborator. Fleury, M.-J., A. Lesage, H.-M. Vasiliadis, X. Meng, C. Huynh, L. Farand, F. Ferland, **Bahram Armoon** and 12 collaborators (decision-makers). *Profiles of high emergency department users with mental disorders and recommendations for improving services*. (\$371,024).

2023-2024

Student competition - support for scientific communications related to population mental health. The Quebec Population Health Research Network (RRSPQ). *Determinants of outcomes of permanent supportive housing residents*. **Bahram Armoon** (principal investigator), Guy Grenier, Marie-Josée Fleury. (\$5,000)

2022-2024

Research grant from The Social Sciences and Humanities Research Council (SSHRC) as co-researcher. Fleury, M.-J, C. **Bahram Armoon**, Nadia L'Espérance and Xiangfei Meng. Défis et enjeux reliés à la stabilité résidentielle et l'insertion sociale de personnes antérieurement en situation d'itinérance logées dans différents modèles de logements permanents avec soutien. (\$200,000)

2023-2024

Student competition - support for a presentation in a conference. RISQ (Research and intervention on psychoactive Substances-Québec). *Use of emergency services, hospitalization and their associated determinants in patients with disorders linked to substances: A global study Systematic review and meta-analysis*. **Bahram Armoon** (principal investigator), Guy Grenier, Marie-Josée Fleury. (\$1,500)

2022-2023

Funding opportunity of the Public Health and Services Analysis Platform. Quebec Network on Suicide, Mood Disorders and Associated Disorders. *Profiles of emergency department (ED) users with substance related-disorders*. **Bahram Armoon** (principal investigator), Zhirong Cao, Guy Grenier, Christophe Huynh, Marie-Josée Fleury. (\$6000)

2021-2022

Student competition - support for scientific communications related to population mental health. The Quebec Population Health Research Network (RRSPQ). *Frequencies of emergency department use and hospitalization comparing patients with different types of substance or polysubstance-related disorders*. **Bahram Armoon** (principal investigator), Guy Grenier, Zhirong Cao, Christophe Huynh, Marie-Josée Fleury. (\$5,000)

2021-2022

Funding opportunity of the Public Health and Services Analysis Platform. Quebec Network on Suicide, Mood Disorders and Associated Disorders. *Profiles of high emergency department users with mental disorders*. **Bahram Armoon** (principal investigator), Zhirong Cao, Guy Grenier, Xiangfei Meng, Marie-Josée Fleury. (\$2,500)

2020-2021

Research grant from Iran Ministry of Health as principal investigator. *Comparing and identifying high risk behaviors among inject drug user referring to harm reduction service centers in Saveh, Iran.* **Bahram Armoon** (principal investigator). (\$5.000)

2018-2020

Research grant from University of social Welfare Rehabilitation Sciences and Iran Ministry of health as co-researcher. *Profiles of inject drug users in Tehran, Iran.* Mehdi Norozzi, **Bahram Armoon**, Ali Farhoudian, Mohammad Hassan Farhadi. (\$2.000)

2016/09

The award of the distinguished paper of the 10th Annual International Addiction Science Congress as principal investigator (ASC2016) – \$1.000 Iran Ministry of Health

2. MEMBERSHIP OF COMMITTEES

2019/07-present

Associate Editor of BMC Psychiatry

2018/11-2021/04

Member of the educational and research council of Saveh University of Medical Sciences

2018/11-2021/04

Chief administrator of Education Development Center (EDC) and Outstanding Students center of Seveh Univerity of Medical Sciences

2011-2018

Member of the student research committee of Shahid Beheshti University of Medical Sciences

3. EVENT MANAGEMENT

2013-2015

Organizer and reviewer of the Conference of the 8th and 9th conference of Innovations in Health sciences in Shahid Beheshti University of Medical Sciences, Tehran, Iran

2015-2017

Organizer and reviewer of the Conference of the 12th and 13th International Congress of Addiction Science; University of social Welfare Rehabilitation Sciences, Tehran, Iran

4. REVIEWER FOR SCIENTIFIC JOURNALS (> 70 manuscripts and > 30 journals (>10 articles/per year)

2016/1-present

Substance Use & Misuse. Taylor & Francis.

4. SELECTED PUBLICATIONS AND PRESENTATIONS

TOTAL PUBLICATIONS: *102 articles published or accepted in total, two in revision, one submitted; 41 as first authors (published or accepted, in revision or submitted); 17 abstracts and conference presentations.*

4.1 **THIRTY-NINE** ARTICLES AS FIRST AUTHOR PUBLISHED OR ACCEPTED IN PEER-REVIEWED JOURNALS:

1. **Bahram Armoon**, Marie-Josée Fleury. Factors associated with satisfaction with outpatient service use among permanent supportive housing residents. *International Journal of Mental Health*. 2025, (In press).
<https://doi.org/10.1080/00207411.2025.2472434>

Bahram Armoon (70% * Contribution to the article); Marie-Josée Fleury (30%).

Principal author (Bahram Armoon) participated in 70% of writing, analyzing and reviewing this article.

2. **Bahram Armoon**, Alain Lesage, Rasool Mohammadi, Zahedeh Khoshnazar, Mehran Rostami Varnosfaderani, Aida Hosseini, Fatemeh Fotovvati, Fatemeh Mohammadjani, Leila khosravi, Mehran Beigzadeh, Mark D Griffiths. The global prevalence of mental health disorders among runaway and homeless youth: A meta-analysis. *Administration*

and Policy in Mental Health and Mental Health Services Research. 2025, (In press).
<https://doi.org/10.1007/s10488-025-01446-x>.

Bahram Armoon (50% * Contribution to the article); Alain Lesage (5%); Rasool Mohammadi (5%), Zahedeh Khoshnazar (5%), Mehran Rostami Varnosfaderani (5%), Aida Hosseini (5%), Fatemeh Fotovvati (5%), Fatemeh Mohammadjani (5%), Leila khosravi (5%), Mehran Beigzadeh (5%), Mark D Griffiths (5%).

Principal author (Baharam Armoon) participated in 50% of writing, analyzing and reviewing this article.

3. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi, Elaheh Ahounbar. Inconsistent condom use and its associations among individuals with substance use disorders: A systematic review and meta-analysis. *Sexuality Research and Social Policy* 2025, (In press). <https://doi.org/10.1007/s13178-025-01134-3>

Bahram Armoon (70% * Contribution to the article); Mark D Griffiths (15%), Rasool Mohammadi (10%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 70% of writing, analyzing and reviewing this article.

4. **Bahram Armoon**, Amir Ghadi-Pasha, Rasool Mohammadi, Alain Lesage, Javad Harooni, Mark D Griffiths. The global prevalence of mental health disorders among runaway and homeless youth: A meta-analysis. *European Child & Adolescent Psychiatry*. 2025, 34(2): 535–564. <https://doi.org/10.1007/s00787-024-02519-2>

Bahram Armoon (60% * Contribution to the article); Amir Ghadi-Pasha (5%); Rasool Mohammadi (5%), Alain Lesage (10%), Javad Harooni (15%), Mark D Griffiths (5%).

Principal author (Baharam Armoon) participated in 60% of writing, analyzing and reviewing this article.

5. **Bahram Armoon**, Mark D Griffiths, Marie-Josée Fleury, Rasool Mohammadi, Amir-Hossien Bayat. The Global Prevalence of Problem and Pathological Gambling and Its Associated Factors Among Individuals with Substance Use Disorders: A Meta-analysis. *International Journal of Mental Health and Addiction*. 2025, 23(2): 1241 - 1274. <https://doi.org/10.1007/s11469-023-01167-y>

Bahram Armoon (60% * Contribution to the article), Mark D Griffiths (15%), Marie-Josée Fleury (5%), Rasool Mohammadi (15%), Amir-Hossien Bayat (5%).

Principal author (Baharam Armoon) participated in 60% of writing, analyzing and reviewing this article.

6. **Bahram Armoon**, Marie-Josée Fleury. Variables associated with higher community integration among permanent supportive housing residents. *Journal of Social Distress and Homelessness*. 2024, (In press). <https://doi.org/10.1080/10530789.2024.2411477>

Bahram Armoon (70% * Contribution to the article); Marie-Josée Fleury (30%).

Principal author (Baharam Armoon) participated in 70% of writing, analyzing and reviewing this article.

7. **Bahram Armoon**, Marie-Josée Fleury, Mark D Griffiths, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar. Determinants of emergency department use and hospitalization among people who inject drugs: A systematic review and meta-analysis. *Journal of Substance Use*. 2024, 29(5): 914-926. <https://doi.org/10.1080/14659891.2023.2202767>

Bahram Armoon (65% * Contribution to the article), Marie-Josée Fleury (15%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%), Mark D Griffiths (5%).

Principal author (Baharam Armoon) participated in 65% of writing, analyzing and reviewing this article.

8. **Bahram Armoon**, Guy Grenier, Marie-Josée Fleury. Perceived higher unmet care needs among adults in permanent supportive housing. *Administration and Policy in Mental Health and Mental Health Services Research*. 2024, 51(6): 843-856. <https://doi.org/10.1007/s10488-024-01390-2>

Bahram Armoon (50% * Contribution to the article); Guy Grenier (10%); Marie-Josée Fleury (40%).

Principal author (Baharam Armoon) participated in 50% of writing, analyzing and reviewing this article.

9. **Bahram Armoon**, Parisa hosseinikoukamari, Mohammad Reza Rohani, Leila Gharagozloo, Mahmood Karimy, Anthony Coetzer-Liversage. Comparison of quality of life and coping strategies among firefighters and emergency medical services personnel in Saveh, Iran. *NEW SOLUTIONS: A Journal of Environmental and Occupational Health Policy*. 2024, 34(2): 120-132. <https://doi.org/10.1177/10482911241258256>

Bahram Armoon (30% * Contribution to the article); Parisa hosseinikoukamari (10%), Mohammad Reza Rohani (10%), Leila Gharagozloo (10%), Mahmood Karimy (30%), Anthony Coetzer-Liversage (10%).

Principal author (Baharam Armoon) participated in 30% of writing, analyzing and reviewing this article.

10. **Bahram Armoon**, Rasool Mohammadi, Mark D Griffiths. The global prevalence of non-suicidal self-injury, suicide behaviors, and associated risk factors among runaway and homeless youth: A meta-analysis. *Community Mental Health Journal*. 2024, 60(5): 919–944. <https://doi.org/10.1007/s10597-024-01245-y>

Bahram Armoon (70% * Contribution to the article); Rasool Mohammadi (15%); Mark D Griffiths (15%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

11. **Bahram Armoon**, Peter Higgs, Amir-Hossien Bayat, Azadeh Bayani, Rasool Mohammadi & Elaheh Ahounbar. HIV risk perception and risk taking among people who inject drugs in Saveh, in Central Iran: Findings from a national study. *Journal of Substance Use*. 2024, 29(1): 148-153. <https://doi.org/10.1080/14659891.2022.2144503>

Bahram Armoon (70% * Contribution to the article), Peter Higgs (10%), Amir-Hossien Bayat (5%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 70% of writing, analyzing and reviewing this article.

12. **Bahram Armoon**, Nadia L'Espérance, Marie-Josée Fleury. Variables associated with quality of life among individuals living in permanent supportive housing. *Community Mental Health Journal*. 2024, 60(2): 259–271. <https://doi.org/10.1007/s10597-023-01167-1>

Bahram Armoon (60% * Contribution to the article), Nadia L'Espérance (15%), Marie-Josée Fleury (35%).

Principal author (Baharam Armoon) participated in 60% of writing, analyzing and reviewing this article.

13. **Bahram Armoon**, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar, Peter Higgs. Drug type and high risk behaviors associated with health-care utilization among people who inject drugs: A systematic review and meta-analysis. *Journal of Substance Use*. 2024, 29(1): 1-9. <https://doi.org/10.1080/14659891.2022.2120429>

Bahram Armoon (70% * Contribution to the article); Azadeh Bayani (10%); Rasool Mohammadi (5%); Elaheh Ahounbar (10%); Peter Higgs (5%).

Principal author (Baharam Armoon) participated in 70% of writing, analyzing and reviewing this article.

14. **Bahram Armoon**, Marie-Josée Fleury, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar, Mark D Griffiths. Suicidal behaviors among intravenous drug users: A meta-analysis. *Journal of Substance Use*. 2024, 29(1): 10-20. <https://doi.org/10.1080/14659891.2022.2120435>

Bahram Armoon (65% * Contribution to the article), Marie-Josée Fleury (15%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%), Mark D Griffiths (5%).

Principal author (Baharam Armoon) participated in 65% of writing, analyzing and reviewing this article.

15. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi, Elaheh Ahounbar, Marie-Josée Fleury. Acute care utilization and its associated determinants among patients with substance-related disorders: A worldwide systematic review and meta-analysis. *Journal of Psychiatric and Mental Health Nursing*. 2023, 30: 1096–1113. <https://doi.org/10.1111/jpm.12936>

Bahram Armoon (65% * Contribution to the article), Mark D Griffiths (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%), Marie-Josée Fleury (15%).

Principal author (Baharam Armoon) participated in 65% of writing, analyzing and reviewing this article.

16. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi, Elaheh Ahounbar. Suicidal behaviors and risk taking among homeless individuals: A systematic review and meta-analysis. *Community Mental Health Journal*. 2023, 59 (7): 1283–1299. <https://doi.org/10.1007/s10597-023-01111-3>

Bahram Armoon (75% * Contribution to the article), Mark D Griffiths (15%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

17. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi, Elaheh Ahounbar. The global distribution and epidemiology of alcohol and drug use among street-involved children and youth: A meta-analysis. *The American Journal of Drug and Alcohol Abuse*. 2023, 49(4): 381-398. <https://doi.org/10.1080/00952990.2023.2201872>

Bahram Armoon (75% * Contribution to the article), Mark D Griffiths (15%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

18. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi. The global distribution and epidemiology of psychoactive substance use and injection drug use among street-involved children and youth: A meta-analysis. *Substance Use & Misuse*. 2023, 58 (6): 746-764.

Bahram Armoon (75% * Contribution to the article), Mark D Griffiths (15%), Rasool Mohammadi (10%). <https://doi.org/10.1080/10826084.2023.2181036>

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

19. **Bahram Armoon**, Rasool Mohammadi, Ladan Fattah Moghaddam, Leila Gonabadi-Nezhad. Type of drug use and risky determinants associated with fatal overdose among people who use drugs: A meta-analysis. *Journal of Substance Use*. 2023, 28(2): 143-153. <https://doi.org/10.1080/14659891.2021.2019329>

Bahram Armoon (85% * Contribution to the article), Rasool Mohammadi (5%), Ladan Fattah Moghaddam (5%), Leila Gonabadi-Nezhad (5%)

Principal author (Baharam Armoon) participated in 85% of writing, analyzing and reviewing this article.

20. **Bahram Armoon**, Mark D Griffiths, Rasool Mohammadi, Elaheh Ahounbar. Suicidal behaviors and associated factors among individuals with gambling disorders: A meta-analysis. *Journal of Gambling Studies*. 2023, 39 (2): 751-777. <https://doi.org/10.1007/s10899-023-10188-0>

Bahram Armoon (75% * Contribution to the article), Mark D Griffiths (15%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

21. **Bahram Armoon**, Marie-Josée Fleury, Mark D Griffiths, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar. Emergency department use, hospitalization, and their sociodemographic determinants among patients with substance-related disorders: A worldwide systematic review and meta-analysis. *Substance Use & Misuse*. 2023, 58 (3): 331-345. <https://doi.org/10.1080/10826084.2022.2161313>

Bahram Armoon (65% * Contribution to the article), Marie-Josée Fleury (15%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%), Mark D Griffiths (5%).

Principal author (Baharam Armoon) participated in 65% of writing, analyzing and reviewing this article.

22. **Bahram Armoon**, Peter Higgs, Rasool Mohammadi. Mental health status, health service utilization, drug use behaviors associated with non-fatal overdose among people who use illicit drugs: A meta-analysis. *Journal of Substance Use*. 2023, 28(2): 154-165. <https://doi.org/10.1080/14659891.2021.2019331>

Bahram Armoon (90% * Contribution to the article), Peter Higgs (5%), Rasool Mohammadi (5%)

Principal author (Baharam Armoon) participated in 90% of writing, analyzing and reviewing this article.

23. **Bahram Armoon**, Marie-Josée Fleury, Azadeh Bayani, Elaheh Ahounbar. Inconsistent condom use and risk taking among people who inject drugs in Saveh: Finding from a cross sectional study in Iran. *Sexuality Research and Social Policy*. 2023 20(3): 993–999. <https://doi.org/10.1007/s13178-022-00776-x>

Bahram Armoon (75% * Contribution to the article); Marie-Josée Fleury (15%); Azadeh Bayani (5%); Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

24. **Bahram Armoon**, Amir-Hossein Bayat, Azadeh Bayani, Rasool Mohammadi, Yadollah Fakhri, Elahe Ahounbar. Quality of life and its associated factors among patients with substance use disorders: A systematic review and meta-analysis. *Journal of Substance Use*. 2023, 28(4): 479-488. <https://doi.org/10.1080/14659891.2022.2069612>

Bahram Armoon (75% * Contribution to the article), Amir-Hossein Bayat (5%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Yadollah Fakhri (5%), Elahe Ahounbar (5%).

Principal author (Baharam Armoon) participated in 75% of writing, analyzing and reviewing this article.

25. **Bahram Armoon**, Mark D Griffiths, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar. Prevalence and associates of non-fatal overdose among people who inject drugs

in Saveh, Iran. *Addiction Science & Clinical Practice*. 2022, 17 (1): 1-10. <https://doi.org/10.1186/s13722-022-00325-2>

Bahram Armoon (70% * Contribution to the article), Mark D Griffiths (15%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Elaheh Ahounbar (5%).

Principal author (Baharam Armoon) participated in 70% of writing, analyzing and reviewing this article.

26. **Bahram Armoon**, Marie-Josée Fleury, Amir-Hossien Bayat, Azadeh Bayani, Rasool Mohammadi, Mark D Griffiths. Quality of life and its correlated factors among patients with substance use disorders: A systematic review and meta-analysis. *Archives of Public Health*. 2022, 80 (1): 1-14. <https://doi.org/10.1186/s13690-022-00940-0>

Bahram Armoon (65% * Contribution to the article), Marie-Josée Fleury (15%), Amir-Hossien Bayat (5%), Azadeh Bayani (5%), Rasool Mohammadi (5%), Mark D Griffiths (5%).

4.3 TWO SCIENTIFIC ARTICLE IN REVISION IN PEER-REVIEWED JOURNALS:

1. Bahram Armoon, Alain Lesage, Charles-Édouard Giguère, Keith Perry, Robert-Paul Juster, Signature Consortium, Stéphane Guay. Profile of patients related to their length of stay at hospital and needs characteristics and associated predisposing and enabling factors. *Psychiatry Research*. (*minor revision requested*).
2. Javad Harooni, Bahram Armon, Hamid Joveini, Rasool Mohammadi, Masoud Avazpour. Hookah quit: A tailored intervention based on Health Action Process Approach (HAPA) in Iranian female smokers. *BMC Women's Health*. (*minor revision requested*).

4.4 ONE SCIENTIFIC ARTICLE SUBMITTED TO PEER-REVIEWED JOURNALS:

Bahram Armoon, Alain Lesage, Charles-Édouard Giguère, Keith Perry, Robert-Paul Juster, Signature Consortium, Stéphane Guay. Factors influencing length of hospital stay among psychiatric inpatients. *Psychiatric Quarterly*.

1.6 SEVENTEEN ORAL PRESENTATIONS OR POSTERS:

1. **Oral presentation at the Canadian Academy of Psychiatric Epidemiology 2023.** Emergency department use, hospitalization, and their associated determinants among patients with substance-related disorders: A worldwide systematic review and meta-analysis. Bahram Armoon, Marie-Josée Fleury, Mark D. Griffiths, Azadeh Bayani, Rasool Mohammadi, Elaheh Ahounbar. Presented on October 18, 2023 Vancouver, Canada.
2. **Oral presentation at the Canadian Academy of Psychiatric Epidemiology 2022.** Profiles of patients using emergency departments or hospitalized for suicidal behaviors. **Bahram Armoon**, Marie-Josée Fleury, Zhirong Cao, Guy Grenier, Alain Lesage. Presented on October 26 2022 in Toronto, Canada
3. **Oral presentation at the 2022 Research Day of the Douglas Research Centre and McGill Department of Psychiatry.** Profiles of patients using emergency departments or hospitalized for suicidal behaviors. **Bahram Armoon**, Marie-Josée Fleury, Zhirong Cao, Guy Grenier, Alain Lesage. Presented on June 20 2022 in Montreal, Canada
4. **Oral presentation at the 2021 Douglas Special Scientific Symposia (D3S).** Contributors to suicidal behaviors among people with psychosis: A Latent class analysis. **Bahram Armoon**, Marie Josee Fleury. Presented June 23 2021 in Montreal, Canada.
5. **Oral presentation at the Razi Hall, Tehran on the 13th Annual International Addiction Science Congress.** “A genetic biomarker study to measure under-reporting of

needle and syringe sharing among people who inject drugs in Kermanshah, Iran”. Iran. **Bahram Armoon**, Mehdi Noroozi, mohammad hassan farhadi, elahe Ahounbar, Hesam Ghiasvand. Presented August 21-23 2019 in Tehran,

6. **Oral presentation at the Razi Hall, Tehran on the 13th Annual International Addiction Science Congress.**” The impact of income inequality in HIV testing among people who inject drugs in Tehran, Iran: A blinder Oaxaca decomposition”. **Bahram Armoon**, mehdi Noroozi, Alireza Noroozi. Presented on August 21-23 2019 in Tehran, Iran.
7. **Oral presentation at the Razi Hall, Tehran on the 13th Annual International Addiction Science Congress.** “Economic disparity associated with receptive syringe sharing in people who inject drugs in Tehran: Blinder Oaxaca decomposition analysis. **Bahram Armoon**, Mehdi Noroozi, Mohammad hassan Farhadi, Hesam Ghiasvand. Presented on August 21-23 2019 in Tehran, Iran
8. **Oral presentation at the Razi Hall, Tehran on the 13th Annual International Addiction Science Congress.** “Factors associated with injecting related risk behaviors among people who inject drugs: a systematic review and meta-analysis”. **Bahram Armoon**, Elaheh ahounbar, Alireza Noroozi. Presented on August 21-23 2019 in Tehran, Iran.
9. **Poster presentation at the Canadian Academy of Psychiatric Epidemiology 2023 (Accepted).** Variables associated with perceived self-stigma among individuals living in permanent supportive housing. **Bahram Armoon** and Marie-Josée Fleury. Presented on October 18, 2023 Vancouver, Canada.
10. **Poster presentation at the Lisbon Addictions 2022 conference.** Profiles of individuals with cannabis-related disorders. Marie-Josée Fleury, Christophe Huynh, Zhirong Cao, Guy Grenier, **Bahram Armoon**. Presented on November 23-25, 2022 in Lisbon, Portugal.
11. **Poster presentation at the annual conference of Canadian Psychiatric Association.** Profiles of Frequent Emergency Department Users with Mental Disorders. **Bahram Armoon**, Zhirong Cao, Guy Grenier, Xiangfei Meng, Marie-Josée Fleury. Presented on October 27-29, 2022 in Toronto, Canada
12. **Poster presentation at the Canadian Academy of Psychiatric Epidemiology 2021 VIRTUAL ANNUAL SCIENTIFIC SYMPOSIUM.** “Frequency of emergency department use and hospitalization related to patients with various substance-related disorders”. **Bahram Armoon**, Guy Grenier, Zhirong Cao, Christophe Huynh, Marie-Josée Fleury. Presented on Wednesday, October 27, 2021 in Toronto, Canada.
13. **Poster presentation at the Razi Hall, Tehran on the 13th Annual International Addiction Science Congress.** HIV and drug related stigma and its associated high risk behaviors among people who injection drug users: a systematic review and meta-analysis. **Bahram Armoon**, Amir hossein mirgalooe Bayat, Rasool Mohammdi. Presented on August 21-23 2019 in Tehran, Iran.

14. **Poster presentation at the Razi Hall, Tehran on the 11th Annual International Addiction Science Congress.** Social and risky determinants associated with HIV testing among people who inject drugs: a met analysis. **Bahram Armoon**, mehdi Noroozi, Alireza Noroozi. Presented on August 21-23 2017 in Tehran, Iran.
15. **Poster presentation at the Razi Hall, Tehran on the 11th Annual International Addiction Science Congress.** Comparing injecting and sexual risk behaviors of long-term injectors with new injectors: a meta-analysis. **Bahram Armoon**, Alireza Noroozi, Hesam Ghiasvand. Presented on August 21-23 2017 in Tehran, Iran.
16. **Poster presentation at the Razi Hall, Tehran on the 11th Annual International Addiction Science Congress.** Patterns of drug use profiles among injection drug users in Tehran, Iran: a latent class analysis. **Bahram Armoon**, Mehdi Noroozi, Alireza Noroozi. Presented on August 21-23 2017 in Tehran, Iran.
17. **Poster presentation at the Razi Hall, Tehran on the 11th Annual International Addiction Science Congress.** Oral health, dental caries and periodontal disease among drug abusers: what are their risk factors and what can we do for them: a meta-analysis. **Bahram Armoon**, Rasool Mohammadi, Amir Hosein Bayat. Presented on August 21-23 2017 in Tehran, Iran.
